JOLLY GOOD FUN FROM PIFFLE PUBLICATIONS

BANANA ISLAND
BY R. LOOPY STEVENSON
All the ingredients for a thoroughly enjoyable boys' story - pirates, a kidnapped schoolboy, a secret concerning hidden treasure, treachery, pluck, and a giant man-eating banana.

THE UNDERWATER TRUANT
BY JACK COUSTEAU
The heart-wrenching story of a deprived boy in a backwoods school that doesn't even have its own swimming pool. He runs away to sea, and has exciting times among strange fish, minute crustaceans, etc.

SANDY OF THE RIVER
BY MOLESKIN CHIVERS
A story to gladden the hearts of boys and make their pulses beat. Sandy is an orphaned aristocrat who travels far, has many adventures, and tries to impress the natives that he falls among, so that they'll make him their king. Then a lion eats him. Har Har.

CAROL OF TAXIDERM SCHOOL
BY STU FING
A delightful schoolgirl story, full of pranks and high spirits. There is also a scandal involving a stuffed wombat, which sets the tongues of unpleasant girls wagging, but Carol's special charms are loyal, and all ends well for everyone (except the wombat).

THE GIRL WHO LOVED DOGS
BY KAY NINE
St. Wobble's Boarding School is short of funds, so Ruth helps by opening a 'Pets' Hospital in the bike sheds. Her entrance ensures that her school chums are soon well fed and contented. The book contains an interesting recipe for Spaniel Stew.

VICTORIA'S FIRST TERM
BY MABEL TYRANT
Victoria begins her school life all wrong, and gets out of favour with the girls and teachers. But she ends up being recognised as a real good sport, because she doesn't complain when they encase her in concrete and throw her into a swamp.

ATTENTION, WEEDS! DON'T BE PICKED ON AND PATHETIC THIS TERM! YOU NEED...

SCHOOL INVADERS

PIN-UP GAME!

STAFF ROOM

The teachers are coming – to give you lines, detention, and some really boring lessons! Can you stop them?

You'll need – some paper planes, rubber-sucker darts or inky pellets – and a watch. Stand about 10 feet from the pin-up and set the watch going. Now throw your projectiles (one at a time). Each time you hit a teacher, mark them with a pin or bit of blu-tak to indicate that they're knocked out. You must knock out each teacher individually. If you get the lot in two minutes, you've won!

P.S. Winning against the teachers is virtually impossible – just like real life!
